

CITY OF FALLS CHURCH

2010 Summer Fun Playground Program

Dear Parent/Guardian,

Welcome to the 2010 Summer Fun Playground Program!

We are looking forward to a great summer of fun-filled activities. This handbook will explain the Summer Fun Playground Program in further detail and includes important information and attachments. Please take some time to read through all the information in this packet and feel free to contact us with any questions or concerns.

*Please have your child bring a packed lunch, drink and water bottle. Snack and soda machines are available for use in the Falls Church Community Center. Refrigeration is not available. Two coolers of cold water will be placed outside at the pavilion for children to use throughout the day.

*Please have your child wear and bring sunscreen to camp daily. Campers should know how to apply sunscreen on themselves. Camp staff are not permitted to do so.

*Please note the days your child will be swimming. If your child is entering first through third grade, your child will swim Tuesdays and Fridays. If your child is entering fourth through sixth grade, your child will swim Mondays and Wednesdays. If a field trip is scheduled on your child's swim day, they will swim the Thursday of that week. All campers will be tested on their swimming ability on their first swim visit to determine the level of water they will be permitted to swim in. Swimmers will need a swimsuit, towel and sunscreen.

***The following forms are due by June 15: Field trip registration form, medical authorization (if necessary) and the swim and bike/walk permission form.** If you miss the field trip form submission deadline, your child may miss out on a field trip. Certain field trips require prepayment.

***The emergency care information form is past-due. It is the last page of this packet. If you have not yet submitted it, please do so as soon as possible.**

*Campers are required to be signed in and out of the camp daily at the pavilion/picnic shelter. Individuals picking up campers **must show photo identification**. Our new pick-up procedures are listed in the handbook.

If you have any questions, please do not hesitate to contact us. Thank you for your time and have a great day!

Sincerely,

Amy Maltese
